Sometimes computers do not like BMP type photos. If you have such a computer and this photo does not come in for you, let me know. I have a scanner & will re-scan this photo into a 'jpg' file.
I'd love to send you my info. but you sent no mailing address. If you perfer not to disclose your address on-line, then I'll wait and use your return address. Whichever you prefer is just fine with me.
Julia Ann LIFE, after Alonzo Sutton's death, remarried to Peter Heydorf (later divorced). She is buried in the Prospect Hill Cemetery a couple of miles north of Blue Rapids, Marshall County, Kansas near the children of her second marriage. In this same cemetery are my parents & all my grandparents. Alonzo was buried in the LIFE Cemetery near William Hooper & Elizabeth Jimerson. Also in the LIFE cemetery are Julia Ann's sister & brother-in-law (Levi and Sarah LIFE Goin). You'll get all this when you get my info.
Like you, I like full dates etc. even burial information. Sure is good to share with someone who likes 'full' information. It is a shame to work hard to get this information then not share it.
I don't have a copy machine but will go to Salina to do this..also I have a lot of info. in my computer & will print that out too.
I'll e-mail other photos after I send this one. Hope you will enjoy them too.
More later,
Lova

Obituary for Elizabeth Jimerson....

AT REST

Died--On Tuesday, June 12, 1894, at the residence of Mr. Martin Life in Beattie, Mrs. Elizabeth Jemison, aged 88 years, 9 months and 4 days.

Her maiden name was Wood and she was born in Virginia, but while yet a child, her parents removed to Ohio. Here at the age of 21 she was married to Joshua Reed, who was killed two years later by a falling tree. Of her later marriage with William Jemison were born four daughters, all of whom survive their mother, viz: Mrs. Life at whose home she died; Mrs. Lewis and Mrs. McNew who live in Marshall County, and Mrs. Muchmore who is a widow living in Nebraska. All were present at her death except the last. Mr. and Mrs. Jamison came to Marshall County in 1857, in the troublesome times of Kansas. They settled over on the Vermillion and there established and built a home where they lived and were well and favorably known until 1876 when Mr. Jemison died. Mrs. Jemison has been on the frontier of civilization during all of her long life and well knew what hardship and privation mean. She was known far and near as a kind hearted neighbor and friend. Since her husband's death she has made her home with her children, the last few years being spent with her daughter, Mrs. Martin Life. She was a consistent member of the Methodist church. The funeral services were held at the M.E. church on Wednesday afternoon and were conducted by the pastor, Rev. Hibbard, assisted by Rev. Crooks. The burial was in the Life Cemetery, southwest of town, whither a large company attended the remains.

nental committees, three each from each congressional district. Only a part of the districts were prepared to send up the names of their committeemen and, with the lists partly completed, the convention at 12:30 took a recess until 2 o'clock.

THE RESOLUTIONS COMMITTEE.

The convention resumed business after the noon recess at 2:10. After Populist songs by the Modocs, the committees were named. The committee on resolutions was made up as follows:

First district—J. W. Tanner, C. B. ...

mittee on resolutions over the suffrage question, but the majority finally agreed upon the following:

We, the representatives of the People's party of Kansas, in convention assembled do hereby reaffirm our allegiance to the principles enunciated in the Omaha platform and point to the record of our representatives in Congress as an evidence of their loyalty to that platform. We meet at this time under conditions which see every prophecy then made fulfilled, and every indictment which was made therein against the Republican and Democratic parties proven.

Our sympathies go out to the unemployed homeless and landless people of the country who have been brought to their present condition in a great measure through the vicious, un-American financial policy of this government; and, we hold sacred the declaration of independence that all men are created equal,

...died—On Tuesday, June 2, 1903, at the residence of Mr. Martin Life in Beattie, Mrs. Minerva Jemison, aged 86 years, 1 month and 7 days.

Her maiden name was Wood and she was born in Virginia, but while yet a child, her parents removed to Ohio. Here at the age of 21 she was married to Joshua Reed, who was killed two years later by a falling tree. Of her later marriage with William Jemison were born four daughters, all of whom survive their mother, viz: Mrs. Life at whose home she died; Mrs. Lewis and Mrs. McNew who live in Marshall county, and Mrs. Muchmore who is a widow living in Nebraska. All were present at her death except the last. Mr. and Mrs. Jamison came to Marshall county in 1857, in the troublesome times of Kansas. They settled over on the Vermillion and there established and built a home where they lived and were well and favorably known until 1876, when Mr. Jemison died. Mrs. Jemison has been on the frontier of civilization during all of her long life and well knew what hardship and privation mean. She was known far and near as a kind hearted neighbor and friend. Since her husband's death she has made her home with her children, the last few years being spent with her daughter, Mrs. Martin Life. She was a consistent member of the Methodist church. The funeral services were held at the M.E. church on Wednesday afternoon and were conducted by the pastor, Rev. Hibbard, assisted by Rev. Crooks. The burial was in the Life cemetery, southwest of town, whither a large company attended the remains.

MARYSVILLE
A few miles below Marysville was the famous ford on the Oregon Trail known as the Independence, Mormon or California crossing. There thousands of covered wagons with settlers bound for Oregon, Mormons for Utah and gold seekers for California crossed the Big Blue River. In 1849 a ferry and trading post was established at the ford by Frank J. Marshall, despite constant danger from Indians. Two years later the military road between Forts Leavenworth and Kearny crossed the river at the site of present Marysville, one mile west. Marshall built another ferry and for years handled an immense traffic. He gave the name of his wife, Mary, to the town that developed here and his own name to Marshall County of which it is the county seat. In 1860 Marysville became a station on the Pony Express. For most of the 1860's it was an important stopping place for coaches of the great Overland Stage Line.

Beattie Eagle, Marshall County, Kansas
May 15, 1816

CLOSED IN DEATH.

Martin Life is dead.

The name of Martin Life has been familiar to nearly all the inhabitants of Marshall county ever since and before the county had an existence. He and his loving, faithful wife were among the earliest settlers, making their home down on the Vermillion, southwest of where Beattie now stands in 1857. Here they lived and labored for many long years, hewing a farm out of the wilderness about them, planting roses where the wild flowers had grown and gathering wheat and corn from the sod that had produced nothing but wild grass before. Here too they left the indellible impress of Christian character and their good works will follow them down the generations yet to come. The following notice was read from the sacred desk by Rev. Bernhard to a large concourse of people who had come to pay the last tribute of respect to an old and esteemed friend, an honorable citizen, an honest man.

Martin Life was born near Staunton in Augusta county, Virginia, December 27, 1824, and died on the 8th day of May, 1896. In early age he came with his parents who settled in Randolf county, Indiana, where he grew to manhood. On the 8th day of May, 1851, he was married to Elizabeth Jimmerson by the Rev. E, Bradshaw. Thus the day of his death was the 45th anniversary of their marriage, and the hour of the day was nearly the same in the two events. In 1857 they came together to make their home in "the far west," in what was then the territory of Kansas, and settled down in what has since been known as "the Life neighborhood." Here they struggled on together, sometimes with plenty and often without even the necessities of life. Their experiences, with hardship, hunger and danger all about them, would fill a book that would be interesting to read. They would make a chapter of thrilling interest in the great volume of Kansas history. Two ceildren were born to them, Julia Ann, now Mrs. Heydorf, of Irving, and Sarah E., now Mrs. Goin, who now lives on the old homestead, and they, with their mother and many freinds, will follow the remains to the Life cemetery, on the old farm, for burial.

Mr. Life has been an active official member of the Methodist church ever since he came to Kansas. For a number of years his house was a church, in which he supportrd preaching him-

self. His grove was a camp ground, where he has supported a whole camp meeting; and thus he hastened the departure of the border ruman spirit and the establishment of Christain institutions. For about 17 years he has lived in Beattie. Here he was instrumental in building the church and parsonage, the support of which, for a number of years, depended upon his energies and liberal contributions. He was a faithful attendant of every service, and active in every means of grace. The bell he has tolled so often for his departed neighbors now tolls for him and the sad burial services that he has attended so often we now hold for him, In his decease we lose an exempiary citizen, a true Christian, a kind neighbor and a never to be forgotten friend. May God comfort the bereaved and raise up others to take his place.

Mr. Hawk, from Springfield, Mo., and a prominent citizen of that live town, has been visiting his brothers, W. B. & M. Hawk, the past week. His health is not very good and he has been trying a few doses of pure Kansas ozone and it has a good effect upon him.

The Misses Runft of Baileyville were in town this week, with their mother, who is being treated for rheumatism. They made this office a friendly call.

An Old Settler Dead

Mrs. Elizabeth Life died at her home in this city last Thursday evening shortly after 9 o'clock. She had been in unusual good spirits during the evening and remarked to some of the neighboring women who were visiting with her that evening that she felt better than she had for some time. At 9 o'clock she made preparations and retired, but she had no sooner reached the bed when she called to her daughter, Mrs. Heydorf and told her that she was bleeding to death and that her time had come. Mrs. Heydorf ran to her mother's room to find the blood gushing from her nose and and mouth. Word was quickly sent to the doctor and the neighbors, but on their arrival it was seen that Mrs. Life was quietly passing away. Mrs. Life died of hemorrhage of the lungs.

Elizabeth Jimerson was born in Ohio on Jan. 27, 1832 and was 77 years, 4 months and 6 days old at the time of her death. When she was a small child she moved with her parents to Delaware county, Ind., where she grew to womanhood and in 1851 was married to Martin Life. To this union two daughters were born, vis: Mrs. Julia Heydorf of this city and Mrs. Sarah Elizabeth Goin, who died about seven years ago.

The funeral services were held at the M. E. church on Saturday afternoon, conducted by Rev. J. B. Gibson of Circleville. Several years ago when Rev. Gibson was making ready to leave Beattie, Mrs. Life asked him to return to preach her funeral sermon. The remains were laid to rest in the Life cemetery southwest of town

REMINISCENT NOTES ON THE LIFE OF ELIZABETH LIFE.

Mr. and Mrs. Life came to Marshall county the 7th of July

Mrs. Life was a [illegible] tian, having associated herself with the M. E. church when a mere girl and to this faith she always remained an ardent supporter. She was the organizer of the first religious association in this county and they held the meetings at the Life home. Mrs. Life worked until midnight on many Saturday night to be ready to feed the people who came to meeting the next day. After the Life school house was built the meetings were held in it. The Life home was always considered the preachers' home and in it they always were accorded a hearty welcome.

No one ever went to Mrs. Life for help but what they got it. It was her delight to help the needy, take care of the sick and it was by her ever pleasant smile and winning disposition that she was a strong factor in the community. She had a very judicious mind. She had an exceedingly bright memory and could relate many exciting incidents of her pioneer days in this county.

Mr. and Mrs. Life were very much attached to sach other and they were happiest when they were in each other's company. One time the husband was sick and Mrs. Life planted five acres of corn with an ax. Julia Ann dropped the corn. Mrs. Life used to cut up cane with a case knife and make sorghum. Sometimes she would have to use this sorghum to sweeten gooseberries.

Mrs. Life endured all the privations and hardships of the early day life and she endeared herself to her country and the people and she lived an exemplary and honorable life and the world is the better for her having lived in it.

people and she lived an exemplary and honorable life and the world is the better for her having lived in it.

Card of Thanks.

It is our dssire to express our heartfelt thanks to the friends and neighbors, who extended their sympathy and rendered their assistance to us in the loss of our beloved mother and grandmothhr.

ANOTHER ONE GONE.

Mr. William Alonzo Sutton, of whom we spoke last week, died on Sunday Sept. 25th, at 10:30 a. m., of consumption of the bowels, the termination of a lingering illness since last April. Mr. Sutton was born in McHenry county, Ill., January 11th, 1843; being at his death 44 years 8 months and 14 days old. He came to this state in 1859, settling in Rock township near where he died. He was a home man never having been away to exceed a year at one time, except during the war. In 1862 he enlisted as a soldier, and served to the close of the war. He married Miss Julia Life, daughter of Mr. and Mrs. Martin Life, of this city, in January 1870. Ther were seven children born unto them, of whom six, three boys and three girls, are now left with their mother to mourn his death. The funeral services were conducted by the Rev. D. J. Crooks, at the house, and the remains were followed to their last resting place in the Life's cemetary, by a large con course of sympathizing friends, among whom were many old comrades, who can once more drape their alter for one who was true to his home, his family and his country.

This is Julia Ann, daughter of Martin and Elizabeth JIMERSON Life.
On her tombstone is Julia Ann Heydorf in the Prospect Hill Cemetery just north of Blue Rapids, Kansas.
Julia Ann lived in a town called Schroyer that no longer exists. This town was located abt. 6 miles north of the cemetery she was buried in or located abt. 3 miles south of Marysville, Ks on the 'river road'.
Before her death, she lived in Blue Rapids near her youngest son (my grandfather), Bert Earl SUTTON. Her marriage to Peter Heydorf brought only 2 daughter, no sons.
It is these two daughters that she is buried near.
more to come.....

Attractive Frankfort Twins

Fay and May Shearer, popular Frankfort twins, are not only identical in appearance, but bought for each other identical gifts this Christmas. They are 18 years old and received approximately the same grades in their school work. The twins have golden hair, blue eyes and are the same height and weight. They now own and operate the Twin Beauty Shoppe in Frankfort. Having relatives and friends here, they have visited in Marysville many times.

OBITUARY—Sutton

Hattie Boyington, daughter of David E. and Ellen Keefer Boyington, was born June 1, 1885 near Richardville, Pennsylvania, and died March 20, 1951 at her home in Blue Rapids, Kansas. Despite a serious illness a year or more ago, she had been in fair health for some time and death came unexpectedly. She suffered a stroke about six o'clock on the morning of the 20th and passed away four hours later without regaining consciousness. Her husband and four of her children were at her bedside.

When eight years of age Hattie Boyington came with her parents to Washington County, Kansas, where she made her home until she was 21. She lost both of her parents during these years, her father on October 23, 1893, soon after they arrived from Pennsylvania, and her mother on January 1, 1905. In 1906 Miss Boyington came to Blue Rapids which was her home throughout the rest of her life.

Hattie Boyington was united in marriage on January 3, 1907 to Bert E. Sutton. To this union were born five children: Mrs. Myrtle Fincham, LeRoy, Ralph and Floyd, all of Blue Rapids, and Mrs. Bernice Barnes, of Kansas City, Kansas.

Besides her husband and these five children, she leaves to mourn her going, fourteen grandchildren and one great grandchild; her only sister, Mrs. Myrtle Daggett, of La Junta, Colorado, three uncles, Alvin Boyington, of Goodland, Kansas, Rev. F. A. Shawkey, Kearney, Nebr., and Schuyler Boyington, of Osawatomie, Kansas; one aunt, Almira Bartlett, of 1115 W. Manor, Santa Cruz, California; and numerous other relatives and friends.

Her life was a rich and full one, though modestly spent. It centered

One-Woman Art Show Features Conservative Homemakers Meet

A "one woman" art show was held by members of the Conservative Homemakers when they were entertained at the home of Mrs. Jack Fincham, Monday evening June 21.

Mrs. Fincham displayed art work she had completed while enrolled in the art courses held last winter at Marysville. She exhibited ink and charcoal drawings that included landscape, still life and abstract art. Mrs. Fincham's creative talent was especially evident in two outstanding pieces of abstract art.

Mrs. Glenn DeVault presented the lesson on "Wall Coverings". Wall paper originated in China and dates back to 200 B.C., she said. Some "do's and don'ts" of wall papering were discussed and samples of the new vinyl wall paper were shown. Mrs. Raymond Ring reported on the "Wise Buys" which included diet foods and dairy products.

Ten members answered roll call by "Saying Something Nice About the Person Sitting on My Right." During the business meeting plans for the community and safety projects were discussed. Tentative plans are being made to repair the school house steps and install a hand rail.

Refreshments of jello dessert and coffee were served by the hostess. Highlight of the evening was the clever tray favors that were [illegible] pot caps, reminiscent of the "good old days. These were made by the hostess in her ceramic shop "The Mad Hen's Cavern."

The next meeting will be July 19, at the home of Mrs. Charles Moser. The war chest lesson will be presented by Mrs. Matt Barnes.

Blue Rapids Pair Note Birthday On Plane Trip

Mrs. Jack Fincham, Blue Rapids, ceramics prize winning artist, and shop owner, with her husband recently returned from a plane trip to California. The following article by Mrs. Fincham relates their vacation pleasures aboard the plane. Editor's Note.

By Mrs. Jack Fincham

After reading Mixed Emotions of a Plane Ride, I just had to respond. Our recent plane trip starting November 1 to Los Angeles and Fresno, California and back to Wichita was so different. Our trip was made under different circumstances as we were on a pleasure trip and had been looking forward to it for some time. We enjoyed every second of it and came home knowing that our airlines and our people are the greatest.

Jack and I traveled with our son-in-law, Dee Thompson and Gary Ott of Wichita, both are with Wichita University, who were on a business trip to Disneyland Hotel.

We entered our first plane at Wichita, The Continental, my first thoughts were not good. Seemed everyone was either reading or looking down at his nose. What a dull trip this was going to be. In a few minutes, as usual, Jack was talking to a young man near the window. He offered his seat, he explained that he was in the air a lot and he knew it was our first trip in the air. He and Jack visited to Denver, I took pictures.

We changed planes at Denver to a larger one. It was one of the largest passenger planes that fly. We ended up in the center rows. It was so beautiful above the clouds, quite fantastic; great white castles finally a peek through at one mountain peak and the great blue horizon above. I asked a young man across the aisle to take a picture through the window for me. He did so, and three more later. He was from North Dakota, he and his wife were on their way to Hawaii.

After reaching 42,000 feet and 500 miles per hour speed we were allowed to unfasten our seat belts. I moved up to the front where I could be near a window to take pictures. Jack, Dee and Gary were enjoying their free beer.

I was talking to two young girls and eating popcorn when the stewardess presented me with a bottle of champagne and said, Happy Birthday from Continental.

I was so shocked. The stewardess took pictures of us with my camera and joined in our fun. She was a black girl and very nice. They served lunch and by the time it was over, we were getting ready to land at Los Angeles.

The Los Angeles air port is one of the largest so we had to walk a long way to get our luggage. The escalator we used moved faster than any I had encountered. While I was waiting for the right time to step on, a young man in uniform took my arm. I told him that the escalator ran faster than ours at home.

"Everyone here is in a hurry," he said. I thanked him and he hurried on. He was the captain of our ship. While waiting for our bus to go to the hotel we talked to a young couple from Alaska. She said that they were confused and didn't know where to turn. Jack asked her if it was like this in Alaska and she said "No, and I am glad of that."

As the four of us got on the bus, the driver said to me.

"You can sit by me," Jack replied, "sit by you! —she is going to drive." You see I was still carrying that bottle of champagne and had no intentions of ever drinking it.

Each of us had to sit in a different row. They looked up at us as if they were thinking "O! No!" but before long Jack was visiting with the young man next to him and I to the young man next to me.

Because of our late reservations, we stayed at the Sheraton near Disneyland. Our hotel rooms and meals were not as high as we had anticipated in fact, we thought quite reasonable.

We had left Wichita at 10:10 a.m. Friday and Friday at 7 p.m. we had dinner at the home of Mr. and Mrs. Don Craighead in Los Angeles. Mr. and Mrs. Wilson Hanna, sr., of Fresno were also guests.

We spent Saturday at Disneyland, the four of us Dee, Gary, Jack and I. We all had free tickets and the hotel Sheraton paid for our transportation. It cost $1.50 each for lunch in Disneyland.

Sunday, we traveled by car with the Hannas to their home in Fresno, Dee and Gary stayed in Los Angeles and returned home Friday after their meetings, we crossed the coastal range and into the valley. We were at Costaic dam and lake, also passed through the area that was so badly hit by an earthquake, so many electric power lines were in that area but all were repaired. This valley is raisin country. The Hannas explained how the ranchers hired Mexican help, and how the valley's weather is just right for drying grapes.

There were also cotton fields and large orange, pecan and fig groves. The oranges had just started to turn color when we were there.

We visited the Duncan Ceramic factory at Fresno. They gave us a guided tour. I started buying my ceramic supplies from Duncan's direct 16 years ago.

We drove to Sequoia and Kings Canyon National Parks. There we saw the big Sequoia trees older than the Christian era. We spent one day at Yosemite National Park.

One day we spent at the ocean at Carmel by the Sea an old old town. We visited a couple of shell shops and brought home a few of the beautiful shells. One owner gave me a $5.00 shell because it was my birthday. We drove up the coast on the 17 mile drive. They were making movies at one point on this drive.

We stopped at Monterey Bay for dinner that evening and watched the fishing boats come in.

Sunday morning we left for home on United Air Lines, we were eating breakfast as we passed over the Great Salt Lake and Grand Canyon.

We visited wth a young man, who was on his way to Germany for four years. He told us how he hated to leave home at this time as his wife was about to have their first baby. His wife and baby will join him later.

We had lunch with Mr and Mrs. Ivan Hulsey in Denver. Mrs. Hulsey is my sister Bernice. Her sons, Larry, Floyd, and Darrell with their families spent Sunday evening with us. Bernice had a beautiful birthday cake ready for me and we celebrated my birthday again.

Monday, we left Denver at 4 p.m. and arrived in Wichita before 6 p.m. We lost an hour so it took just one hour. We stayed all night with Mr. and Mrs. Dee Thompson and returned home Tuesday. Took as long to drive home from Wichita as it did to fly to California. We were not even tired.

Blind amputee creates potte

Man's finds his art after war injuries

By JoAnn Shum

William L. Wedekind, Manhattan, is the only known blind, double-handed amputee in the world who has mastered the skill of wheel-thrown pottery.

He was a guest speaker in the classes of Rocky Stone and Lona Dittmar on Tuesday at MHS.

Wedekind uses his lips to determine shape, texture and glaze. He has developed sensory aids from his lips to replace what fingertips and eyes would provide.

Through his lips he is able to determine the shape and texture of each piece of clay. He determines the type of glaze — matt, semi-matt, gloss, semi-gloss and waxy matt.

Under his direction, his wife assists him in attaching handles to pitchers and mugs and in dipping and painting some of his pieces. He dips some of his pottery, handles the firing of the kiln and creates recipes for his own glazes. He uses a computer program he created to provide glaze chemical calculations.

He takes graduate classes at KSU and invents gadgets to help him accomplish tasks such as dinnerware and larger pottery forms.

Wedekind speaks to groups about dealing with disabilities and leading a normal life. He says he finds particular satisfaction in helping people become comfortable in working with people with physical limitations.

Wedekind was born in Manhattan June 8, 1949, the eldest of five boys. He graduated from Manhattan High School and enlisted in the Marine Corps in September 1967.

While he was serving in Vietnam, he received multiple injuries after an explosion that resulted in a 250 percent disability rating.

At Hines Rehabilitation Center in Chicago, he learned critical life skills and received extensive training to cope with his disabilities.

His grandmother, Myrtle Fincham, was the first person to recognize his potential as a potter. She witnessed his determiniation to set goals and achieve them and his strong desire to be independent. She believed he could work on a potter's wheel and create pottery. She encouraged him to pursue a career in ceramics.

Wedekind attended Kansas State University, majoring in ceramics/art and Northwest Arkansas Community College in business administration.

He and his wife, Diana, live in Manhattan. Bill has two children and five stepchildren.

Among his awards are the Bronze Star Medal, Vietnamese Service Combat Action, Presidential Unit Citation, National Defense Ribbon, Vietnamese Cross of Gallantry with Palm, Outstanding Disabled Veteran of the Year in 1976, President's Committee of Employment for the Handicapped in 1976, Razorback Award for Outstanding Ham Radio Operator of the Year of the Northwest Arkansas Radio Club in 1985 and Outstanding Contribution to the National Blinded Veterans Association, Puerto Rico, in 1986.
